## **Cielo MedSolutions Puts Early Emphasis on Customer Service**

*Healthcare IT startup appoints Diane Robbins to Customer Care Manager*

ANN ARBOR, MI – July 5, 2006 – Healthcare information technology (IT) company Cielo MedSolutions announces early commitment to customer service with the appointment of Diane Robbins as Customer Care manager. A graduate of the University of Michigan, Robbins has over 20 years of experience in varied customer relationship management and business administration roles. She brings to Cielo MedSolutions an extensive background in healthcare based on nearly a decade as an account manager with a healthcare third-party administrator.

“At Cielo MedSolutions, our customers come first,” said David Morin, president and CEO. “We view the role of customer care manager to be vital to our young organization, so we’re excited to land a professional of Diane’s talent and dedication for this position.”

### **About Cielo MedSolutions**

Cielo (pronounced “see EL oh,” Spanish for “sky”) is a leading provider of healthcare software and information technology services. Founded in Ann Arbor, Michigan in 2005, Cielo helps ambulatory care physicians improve quality-of-care, optimize practice efficiency, and increase physician revenue. The company’s web-based Cielo Clinic™ software helps to improve, document and report on clinical care.
